In einigen Tagungsräumen besteht die Möglichkeit, zwischen zwei Stuhlsystemen zu wählen. Unsere ergonomische Bestuhlung ist breiter und rückenfreundlicher als eine klassische Bestuhlung. Da diese mehr Platz benötigt, finden Sie hier verschiedene Personenzahlangaben. Die Personenzahlangaben gelten für maximale Bestuhlung ohne Bühne. / Some of the conference rooms offer a choice between two seating options. Our ergonomic seating is wider and offers greater back comfort than classic seating. You will find two different capacities here, as the ergonomic seating option requires more space. The occupancy levels shown are for maximum seating, without a stage.
